

We have a chance to make a lasting legacy for the Kentucky Jurisdiction of the Knights of Columbus. The license plate shown below has been approved by the Kentucky Transportation Cabinet and will become a reality after we receive 900 applications from brother Knights. We have over 10,600 Knights in Kentucky, so 900 applications is well within our reach. And remember, you can get one for each of your cars. You will need to fill out one application for each license plate. Also, handicapped decals will be available for those who qualify.
