Dear Worthy, Grand Knight,

Congratulations on being chosen to lead your council. You, along with over 2 million Brother Knights and their families all around the globe have served God and his church on earth for over 142 years.

The Knights of Columbus has always been very dedicated to the respect and dignity of all human life. We are among the leaders of the world when it comes to prayerful support, respectful life programs and financial assistance of life in all its stages.

~~The Kentucky State Council has much to be proud of in our efforts to support life from~~ conception till natural death. I am confident that due to our efforts many lives have been improved and many lives have been saved. We have come a long way but there is much more work to be done.

Our State Deputy, Brother Luke Williams, has asked us to serve as the Culture of Life Chair-couple this Fraternal Year. We are honored to accept and look forward to continuing the proud traditions of the Kentucky State Council in the defense of life, family values and religious freedom.

We need your help. Included in this packet is a brief questionnaire asking for information about your councils' Pro-life efforts. Please take a few minutes to complete it and return it to us as soon as you can. Also included is some basic information about programs available along with some examples of current programs.

We look forward to expanding our efforts in Kentucky but, as always, it begins at the council level. We are here to help in any way we can. Please feel free to contact us and we will do our very best to help you save lives.

Vivat Jesus!

# CULTURE OF LIFE AWARD

We have decided to bring back the Culture of Life for local councils this fraternal year.

The rules are simple. Councils must simply complete at least eight of the suggested activities or programs, including the three of the highlighted items below.

We are operating under the honor system, so after completing your activities send me an Email listing what your council has done. The deadline for submitting your lit is March 15, 2025. Activities completed from March 15<sup>th</sup> of this year are eligible.

## Suggested Activities

### Pray

Pray the Rosary for the unborn at your council meeting or your parish.

Silver Rose Program

Lead a Local Novena for life

Rosary for the unborn

Sponsor and/or Attending a Mass for Life,

Sponsor a Mass for People with Special Needs, etc.

### Donate

Donate to Kentucky State Council Culture of Life Fund (\$100 minimum please)

Help raise money for an Ultrasound machine or a baby box in your area

Support a Local Pregnancy Center in your area

Support Special Olympics

Wednesday Child

### Volunteer in the below areas:

March or run for life

Pro-Life Fundraising

Special Olympics

Prison Ministries

Veterans Programs

Food Kitchen/Pantry

Other – must be approved by your local prolife coordinator.

Autism Programs

Harbor House

Homeless Shelters/Soup kitchens

Nursing Home Ministries

Centers for women & children

Christian Refuge Relief

All eligible councils will receive an award at the State Convention.

## Knights Protecting All Life

The K.P.A.L. (Knights Protecting All Life) program gives recognition to **Knights and their families** who have diligently worked to promote the Culture of Life, from conception to natural death. In order for us to honestly call ourselves Pro-Life we must remember those who have been forgotten and left to die, thus the visits to Hospice and Nursing Homes, Homeless Shelters, Children's Homes, etc. So many abortions are performed when tests indicate Down Syndrome, or some other defect that the work of those in the Special Olympics must be commended.

# KPAL

## Knights Protecting All Life

The Knights of Columbus has always been, is now and will forever be dedicated to the respect and sanctity of all human life in all its stages. We strive to protect life from conception to natural death. During the last few years, the Supreme Council has stressed that we not only a pro-life organization. We are all called to help build a **Culture of Life**.

The Knights of Columbus will continue the fight to stop the murder of unborn children through abortion but that is not where our responsibility ends. We, as Catholic men and women are called to serve God by serving all of his children.

In order to promote a **Culture of Life**, the Kentucky State Council has instituted and new program. The KPAL Program will encourage all Knights and their families to become involved in programs that serve life in all stages.

The KPAL Program gives recognition to people who have diligently worked for **Culture of Life** causes. Whenever it is possible, the KPAL pin and certificate should be presented by the District Deputy at a council meeting or event.

In order to qualify for the KPAL award you must be involved in (5) **Culture of Life** events or programs within a 12-month period.

- Pro-Life Masses
- Pro-Life Counseling
- Pro life Parades
- Volunteer Work at Women's Center
- Pro-Life Rosaries
- March for Life
- Pro-Life Fundraising
- Run for life

### Special Olympics

- Hospice
- Prison Ministries
- Nursing Home Ministries
- Veterans Hospital/Home Programs
- Autism Programs
- Harbor House
- Homeless Shelters
- Soup Kitchens
- Women and Children Centers

Enclosed is a copy of the application form. This is the only form that will be accepted.

Please make sure that the forms are completed by the Grand Knight and sent to the Culture of life couple. Forms may be submitted at any time during the Fraternal year.

Thanks for all you do to protect all God's children.

## 2024 Tee Off Fore Life

& The KY Right to Life Education Foundation's 24th Annual Golf Outing  
on Monday, October 7, 2024, at the Shelbyville Golf Club in Shelbyville, KY.

Your participation as a host, sponsor, advertiser, or golfer in our event is crucial. It will ensure the success of our life-affirming ministry and our outreach mission to young girls and women facing the overwhelming challenges of unplanned pregnancy. With your support, we can provide them with the opportunity to choose life for their babies without feeling forced to choose between their child and completing their education. Together, we can offer hope, support, and a brighter future for both mothers and their children.

### *Programs Made Possible by Your Support:*

- **Her Future - Pregnant and Parenting Scholarship Fund:** Supporting moms to choose life and continue their education. The gift of a child should never prevent someone from completing their education.
- **Be the Spark – Safe Haven Baby Box Fund:** Assisting our Right to Life chapters and Kentucky communities to install Safe Haven Baby Boxes. Our goal is to have one Baby Box in every Kentucky county, saving lives one box at a time. Thanks to the Kentucky General Assembly, once the new laws go into effect in July, we will be working to produce and purchase Safe Haven BB Posters with the 800#, to be installed in every Kentucky high school!
- **ProLife Generation Legacy Scholarship:** Providing scholarships for Kentucky high school seniors, ensuring the next generation carries forward the pro-life mission. This year we awarded ten \$1,000 ProLife Scholarships. Next year we are hoping to award twelve and send our top recipients to the National Competition and Students for Life event.
- **Pulse - Changing Hearts Media Outreach Ministry:** Combating the lies and misleading media of the abortion industry is incredibly expensive, but this is where we can have a major impact. We focus on media, radio, and producing high-quality content with real-life-affirming Kentuckians as part of educational outreach to save lives and love both mothers and their children. We plan to expand our "Wednesdays for Women" radio show and podcast.

### What Could We Do with \$175,000?

- \$50,000 for Her Future Pregnant and Parenting Scholarships Fund
- \$30,000 for "Be the Spark" to save lives with Safe Haven Baby Boxes and produce Safe Haven BB Posters with the 800# to be installed in every Kentucky high school
- \$20,000 for the ProLife Generation Legacy Scholarship Funds
- \$75,000 for Changing Hearts – "Pulse Media" Outreach Ministry

We hope you will review our Changing Hearts Hosts & Sponsors form and consider how you would like to support this year's Golf Outing and the Her Future Scholarship, Be the Spark, & Pulse Media.

# 2024 TEE OFF FORE LIFE

161 St. Matthews Ave. Suite 2, Louisville, KY 40207  
Office (502) 895-5959 Email Admin@KYRighttoLife.org

Join us for the 2024 Tee Off Fore Life & The KY Right to Life Education Foundation's 24th Annual Golf Outing on October 7, 2024, at Shelbyville Golf Club in Shelbyville, KY.

Your support as a host, sponsor, advertiser, or golfer is crucial to the success of our life-affirming ministry. Together, we empower young girls and women facing unplanned pregnancies to choose life without sacrificing their education.

Your participation helps fund vital programs like:

- "Her Future" Pregnant & Parenting Scholarship Program
- "Be the Spark – Safe Haven Baby Box" initiative
- "ProLife Legacy Scholarship Program for HS Seniors"
- 2024 Pulse Media campaign

Can We Count On You This Year? Help us reach our 2024 financial goal of \$175,000, with a generous \$25,000 institutional match.

Your involvement makes a profound impact, celebrating 51 years of advocating for the vulnerable.

Join us in changing hearts, saving lives, and creating bright futures. Please consider supporting our Golf Outing and scholarships.

Look forward to seeing you on the links on October!

## What is a Safe Haven Baby Box?

A Baby Box is a safety device provided under state's Safe Haven Law and legally permits a mother in crisis to safely, securely, and anonymously surrender if they are unable to care for their newborn. A Baby Box is installed in an exterior wall of a designated fire station or hospital. It has an exterior door that automatically locks upon placement of a newborn inside the Baby Box, and an interior door which allows a medical staff member to secure the surrendered newborn from inside the designated building.

**On June 8th, Kentucky's 18th Safe Haven Baby Box was installed in Hebron, Kentucky!  
Only 102 more to go to have at least one Safe Haven Baby Box in every county!**

Because our children are the most valuable and fragile among us, we are addressing the critical issue of infant abandonment and creating a safe and secure opportunity for mothers or families who find they just cannot care for their newborn. Kentucky passed the first Safe Infant Act in 2002, providing guidelines for abandoned infants in our Commonwealth. In 2022, Kentucky Right to Life supported Representative Tate, who championed the passage of HB155, the Safe Haven Baby Box Bill, which addressed this critical issue. A baby box is a safety device provided under Kentucky's Safe Haven Law and legally permits a mother in crisis to safely, securely, and anonymously surrender the infant if they are unable to care for their child. A baby box is installed on the exterior wall of a designated fire station or hospital. It has an exterior door that automatically locks upon placement of a newborn inside the baby box and an interior door that allows a medical staff member to secure the surrendered newborn from inside the designated building. In the days ahead, with Kentucky women not having abortions as an option for an unplanned or untimed pregnancy, we will see Safe Haven Baby Boxes becoming the rescue chocolate for infants.

For More Information contact  
Rick Arnold  
502 797-1874

## Safe Haven Baby Boxes

Here is the process to get a Safe Haven Baby Box in a community.

1. Contact Safe Haven Baby Boxes, Inc. (email: [shbb@SafeHavenBabyBoxes.com](mailto:shbb@SafeHavenBabyBoxes.com), web & USPS below) to make them aware of your interest in procuring a Baby Box for your community. They can confirm if your state follows their standard procedure or requires additional steps.
1. Meet with community leaders, fire station, or hospital administration to review the Safe Haven Baby Box Program.
2. The contract for SHBB is reviewed by an attorney and fundraising begins.
3. The contract (Lease and Service Agreement) is signed with location and initial fee is sent to SHBB.
4. The Baby Box order is placed and approximately 4 weeks later the box is produced. During this production time the location will search for a licensed contractor to install the box and an alarm system company.
5. The Baby Box is delivered and installed by a licensed contractor.
6. The Alarm is set up and tested. It must reach 7 successful days of consecutive testing.
7. Training for the Safe Haven Baby Box will be provided by trained personnel.
8. The Baby Box Unveiling and Blessing occurs.
9. The Baby Box goes live and is available to aid infants with parents in crisis.

The costs involved in acquiring a Safe Haven Baby Box, have it installed with annual maintenance fees included are, Initial Fee: \$11,000, FEES NOT INCLUDED IN INITIAL FEE: (Estimated at \$5,000-\$7,500), and an Annual Fee of \$300.

Initial Fee: \$11,000

### 1. "Pre-installation" Services:

- a. Examination of location
- b. Administrative/Legal resources
- c. Consultation on programs
- d. Assistance with raising funds to support the cost of the box (optional)

### 2. Installation Services:

- a. Inspection of installation
- b. Training to all emergency personnel

### 3. Post Installation Services:

- a. Marketing of the box
- b. 24/7 hotline available to the community
- c. Advertising of the box

d. Efforts to support raising awareness on a local, state, and national level supporting the box in each community

**Annual Fee:** \$300 Annual Fee Services a. Recertification of the box by a licensed contractor b. Maintenance of box from expected use c. Unlimited repairs and parts replacement because of a malfunction and not as a result of negligence or vandalism.

**OTHER FEES NOT INCLUDED IN INITIAL FEE:** (Estimated at \$5,000-\$7,500) \*Fees vary based on location and/or services donated by local community members. The below items are estimates and not a guarantee of cost.

1. Delivery: \$500.00 if you would like to have the box delivered. You can pick up at our Fort Wayne IN manufacturing facility to waive the delivery charge. (Must be pre-scheduled)
2. Installation: Labor and materials~\$2,000-\$3,500 (Location may be able to get this donated)
3. Electrical and Alarm: hook up to internal alarm system (Internal alarm must go to 911 dispatch for use with the baby box) ~\$1,200
4. Annual Alarm Service: Annual fee for monitoring~\$300 annually paid by location to Alarm Company
5. Transportation: Cost based on location and transportation from Indiana.
6. Permits or other requirements prior to construction. (varies)

The raising of money for the Boxes could be patterned after the same principle as the Ultrasound Machine Program.

SHBB currently lists over 135 boxes in 8 states, 16 of those are in Kentucky. The locations of all the boxes are listed on SHBB's website (<https://shbb.org/locations>). Current count is 19 babies placed in their boxes since 2017. They have also helped 121 women to conduct a safe surrender through their hotline.

**Safe Haven Baby Boxes mission is to prevent illegal abandonment of newborns by raising awareness, offering a 24-hour hotline for mothers in crisis and offering the Safe Haven Baby Boxes as a last resort option for women who want to maintain complete anonymity.**

If you would like to discuss this request or need additional information, please contact Rick Arnold, Culture of Life Director for the State of Kentucky. Email: [rickd.arnold@gmail.com](mailto:rickd.arnold@gmail.com), Cell: 502-797-1874.

## Ways You Can Help

### Baby Bottle Drive

A baby bottle drive is a simple and effective way to engage your community in fundraising for local pregnancy centers and maternity homes. As the name suggests, the drive uses baby bottles to collect loose change, cash and checks from donors.

### Baby and Maternity Item Drives

Pregnancy resource centers and maternity homes are in dire need of supplies. Sponsor baby or maternity item drives to collect essential items like diapers, wipes, and clothing.

While babies are usually the main beneficiary of these events, the needs of pregnant women and new mothers should also be considered a top priority.

### Pregnancy Center or Maternity

#### Home Open House

Pregnancy centers and maternity homes sometimes host "open houses" in which volunteers and their communities are invited to attend.

These open houses raise awareness of the organization's services and offer an opportunity to meet the center's leadership and staff. Help pregnancy centers and maternity homes host these important events and tie-in fundraising activities before or during the event.

Ready to put your

LIFE

## OVERVIEW

The protection of life is a sustained prayer intention of the Church, and in particular of the Knights of Columbus. Knights remain firmly committed to defending the right to life of every human being – from the moment of conception to natural death. To commemorate and bolster this important cause, councils will promote a novena, nine days of sustained prayer, to build up a culture of life in our parishes, homes and wider community.

RESOURCES

The protection of life is a sustained prayer intention of the Church, and in particular of the Knights of Columbus.

## OVERVIEW

The Knights of Columbus works together as an organization to purchase ultrasound machines for qualifying pregnancy centers. Discounted prices for select machines are offered through preferred pricing agreements arranged by the Supreme Council. The list of preferred machines is provided to sponsoring councils after the pregnancy center is approved for funding by the local diocese and the Supreme Council. After the state and/or local council raises 50% of the cost, the Knights of Columbus Supreme Council will provide the other 50% to complete funding for purchase of an ultrasound. Or, if the council raises 100% of the cost of a vehicle outfitted to serve as a mobile medical unit for a pregnancy center, the Supreme Council will provide 100% of the funds for an ultrasound machine to be used in that vehicle.

## OVERVIEW

Christians are at risk in areas all around the globe. The Knights of Columbus has responded with the Christian Refugee Relief Fund, which provides humanitarian assistance, primarily in Iraq, Syria and the surrounding region. Councils will aid this cause by collaborating with their parishes to spread awareness and raise funds to help these Christians and those in their care. In particular, councils are encouraged to utilize Solidarity Crosses as a fundraiser and prayer campaign in their parishes.

## OVERVIEW

People with special needs resulting from physical, emotional, mental or cognitive conditions are all around us in society, at school, at work, and in our families. It can be challenging for these important members of our society to participate in Mass due to physical and social barriers – or even family member anxiety. Celebrating a Mass for People with Special Needs can be the first of many steps toward integrating them into regular weekly or even daily Mass – and more deeply into all of the sacraments and other aspects of parish life. Holding this Mass sends the message that all of God’s children are welcome under the parish roof and that every person is an integral part of the parish family.

RESOURCES

Celebrating a Mass for People with Special Needs can be the first of many steps toward integrating the disabled into regular weekly or even daily Mass – and more deeply into all of the sacraments and other aspects of parish life.

## MEMBER RESOURCES

# PREGNANCY CENTER SUPPORT (FEATURED)

## A HIGHER PURPOSE

Change hearts and minds about abortion by showing that the Knights of Columbus loves both mother and child before and after birth. Councils can provide material, financial, labor and other support to pro-life pregnancy centers that help women during pregnancy and following the birth of their newborn children.

## OVERVIEW

More than 3,000 pro-life pregnancy centers now operate throughout territories of the Knights of Columbus. By the very nature of its founding, the Knights of Columbus is called to care for the widow and orphan. Abortion-vulnerable unborn children and mothers experiencing unexpected pregnancies certainly fall within that mandate. With aid from the Knights, pregnancy centers can offer support to help women choose life. Councils can “adopt” a pregnancy center and provide material, labor, and spiritual support throughout the year. Through the ASAP Initiative, for every \$500 your council or assembly donates to a pregnancy resource center or maternity home (up to \$2,000), the Supreme Council will donate \$100. Visit [Aid and Support After Pregnancy \(ASAP\)](#) for resources.
