Special Olympics

Knights Return to Special Olympics State Summer Games.

Special Olympics Kentucky athletes weren't the only ones excited to return to Eastern Kentucky University for the first State Summer Games in two years. Hundreds of volunteers were also eager to be back in Richmond. Those volunteers included Knights from three Kentucky Councils.

Led by Knights from St. Mark Council #12852, dozens of Knights and family members from St. Mark, Sacred Heart Council #5071 in Corbin and Mary Queen of the Holy Rosary Council #14372 in Lexington came out to help run the Softball Throw venue. Knights have been assisting with the Softball Throw ever since the Summer Games moved to ECU 27 years ago.

Thank you to everyone who came out to help. For more information about volunteer opportunities your Council can get involved in, contact Kelli Firquin at kfirquin@soky.org.

Salute to Summer Games Special Olympics Campaign Reaches Goal

On the Monday after the Special Olympics State Summer Games, the Knights of Columbus Salute to Summer Games fundraising campaign officially reached its \$10,000 goal. The generosity of Knights across the state also led to the Knights of Columbus being recognized as a Gold Sponsor of the Games for the first time in history.

There were 22 councils that participated in the Salute this year, including nine that raised or contributed more than \$500. Special thanks to Fr. Roy Dentinger Council #390 for being the top fundraising Council at \$2,088 and to Mt. Mercy Council #14604, which raised \$1,479 in just a few days.

The Salute capped a record-breaking fraternal year which saw Knights raise or contribute more than \$34,000 to support Special Olympics Kentucky athletes on both the state and local level.

Thank you to everyone who took part in the Salute and made such a difference in helping provide funding for the Summer Games.

Get Ready to Pull for a Purpose at a Truck or Plane Pull Near You

Special Olympics Kentucky is gearing up for the Biggest Challenges of the Year this fall when the organizations hold Big Brown Truck Pulls in Lexington and Paducah and the UPS Plane Pull in Louisville. Each event features teams raising money to participate vying to see who can pull either a UPS 18-wheeler or a UPS 757 Cargo Plane. The Truck and Plane Pulls are perfect events for Councils looking to get involved. All money can be raised online and raising the minimum amounts to participate is easy.

Service Award

On June 17th, PSD Gene Roberts was presented an award to honor his 15 years of dedicated service to others through volunteering with Green River Asset Building Coalition. Their mission is “Helping families become economically self-sufficient” and their vision is “Economic success and financial stability accessible for all, regardless of income level or social situation”. This is a non-profit that does people’s taxes at no charge as part of the IRS's Volunteer Income Tax Assistance (VITA). Gene was on the ground floor helping get this started at Green River.

Thank you, Gene for all your dedicated service to others for so many years.

Pro-Life's End of Life Mission – Serving Our Elderly Community

Taylor Manor is an 82-bed facility providing levels of personal, intermediate and total care. Run by the Sisters of St Joseph the Worker, Taylor Manor has been providing care to the residents of Woodford County for 70 years. Taylor Manor is the only Catholic Nursing Home within the Diocese of Lexington, KY. Over the years St. Leo Council 13917 in Versailles has provided volunteers to help at various events. They have taken on projects to improve the quality of life for the residents such as building an outdoor pavilion.

The pandemic & shutdown of 2020 prevented volunteers from assisting the Sisters in doing charitable work. With the pandemic and restrictions being lifted, Grand Knight Ben

Pro-Life cont.

Borth and member John Weis reached out to Sr. Faustina to see if there might be a need that the council could assist with, and boy is there...

Three major areas of concern and opportunity are the roof leaks, flooring and paving issues. With the help of the charitable arm of the KY Knights of Columbus, KY Charities, Inc, a \$3,000 grant request for help with replacing the flooring in the resident rooms was granted at this year's State Convention. Picking upon this need and the generosity of the KY Charities, Inc, State Secretary Tom Johnson contacted a member of St. John St. Francis council in Georgetown, KY who owns a paint and flooring business. Owner Larry Oser saw an opportunity to help the Sisters in their need for flooring. Occasionally they will have a box or two of high-quality flooring left over from a job. Rather than throwing it into a land fill, they will hold on to it in case a charitable need arises. While the left over material may not be enough to complete a large room, it may be enough to complete a small bathroom or closet or if you don't mind blending colors or shades you might even be able to complete a residence room. Such was the case in early June when Larry Oser & Tom Johnson met John Weis and Sister Faustina at Taylor Manor and delivered 17 boxes of high-quality vinyl flooring. Sister Faustina was delighted to receive the flooring and was already making plans for where to install it. Thanks to John Weis for his help and thanks to Larry Oser for donating the flooring.

Council 15681 Corpus Christi Procession

St. Lawrence Council 15681 coordinated with Fr. Jeff Estacio to do the Corpus Christi procession on June 6, 2021. The weather was not cooperative, so we had the procession inside the church. Brother Knights reached out to the Parish and invited them to participate. We even had a non-Catholic participant and his Catholic wife that are new to the parish and have been active with the parish. They assisted the council during the Lenten Fish Fry also. Fr. Jeff was very Thankful to the Knights for their assistance. Father is asking the Knights for more as we have shown that we able to step up and help the church in response to its requests.

Knights of Columbus retire old flags in burning ceremony

The article below is a reprint of an article written by Jennifer P. Brown for <https://hoptownchronicle.org/>

The Knights of Columbus at Saints Peter and Paul Catholic Church observed Flag Day on Monday by retiring several hundred American flags that were in poor condition. Using the traditional retirement method of burning the flags, several members of the Knights participated in the ceremony. They built a fire in a large metal barrel and took turns dropping flags into the flames.

Hundreds of small flags that needed to be retired came from Green Hill Memorial Gardens, where the Knights place flags at all of the veterans' graves every year on Memorial Day.

"Fellow citizens, we have here these flags of our country, which have been inspected and declared unserviceable. They have reached their present state in a proper service of tribute, memory and love," master of ceremonies Joe Mezzoni said to begin the service.

flag burning cont.

“A flag may be a flimsy bit of painted gauze or a beautiful banner of the finest silk. Its inherent value may be trifling or great, but its symbolic value is beyond price. For it is a precious symbol of all that our veterans have worked for, lived for and died for.

“A nation of free men and women, true to the past, devoted to the ideals and practice of justice, freedom and democracy. Let these flags of our country be retired and destroyed

with respectful and honorable rites and their places be taken by bright new flag.”

The Rev. Richard Meredith, priest at Saints Peter and Paul, led the group in a prayer. The Knights of Columbus will continue to accept old flags from anyone in the community who wants to have them respectfully retired. Anyone interested in turning over old flags should call Mezzoni at 270-305-4701.

“We’ll make arrangements to pick them up,” he said.

flag burning cont.

Flag Day is observed on June 14, the day in 1777 that the Continental Congress, meeting in Philadelphia, approved the stars and bars design for the national Flag. In 1916, President Woodrow Wilson issues a presidential proclamation establishing the national observance.

The 13 red and white bars represent the original 13 colonies. The white stars on a blue background represent the states.

The current flag, the 27th version, dates to July 4, 1960, when Hawaii became the 50th state.

Father Mario J. Tizziani Memorial Court

Father Mario J. Tizziani Memorial Court has been officially lettered! We anticipate having a formal ceremony in the Fall of 2021 for the floor dedication. Thank you to our former pastor for all he has done for our school and the construction of this gym!

Memorial Day Ceremony

Fr. Boehmicke Assembly 2753 in Hopkinsville purchased and laid nearly 1000 American flags as part of Memorial Day honoring those that served and died while serving in the U.S. Military. Thirteen sir knights, 3rd degrees, and spouses participated in honoring all deceased veterans, council, and assembly members at the various cemeteries in Christian County/Hopkinsville.

Silver Rose

Assembly 2753 and Council 7847 sponsored the 'Silver Rose' Holy Hour at Sts. Peter & Paul Church in Hopkinsville, KY. A2753 conducted an Honor Guard for the Holy Hour. The beautiful icon was viewed for all of the masses, 8, 10:30, and 2 PM. Several members of the parish contributed to the successful event.

Boy Scouts

Council 7847 conducted a fundraiser in support of the Boy Scouts Troop 101 project located on Fort Campbell US Army Post, Hopkinsville, KY. The Council raised \$500 to support the effort to help the Troop purchase materials to remodel their facility on Post and move equipment to this location. Grand Knight Tom O'Hagan and Community Director Frank Amaro present the \$500 check to 2 Eagle Scouts and Troop leader.

Helping Others 6 Hours Away

Sts. Peter & Paul's sister parish, St. Michaels, in Paintsville KY was in need of clothing and supplies for their parishioners. The Sts P&P parish Thrift Store donated items for Paintsville. Council 7847 brothers loaded and delivered a trailer full of supplies to St. Michaels church. Brothers Paul Shade and Ken Buckner made the 12-hour roundtrip drive from Hopkinsville to Paintsville.

The council is planning future quarterly deliveries to Paintsville. Job well-done brothers!

State Deputy

Steve Zanone

My Brother Knights.

Last week I had the moving and humbling experience of being installed as State Deputy in St Mary's Church in New Haven, Connecticut. I can not describe how moving it was to sit in the Kentucky pew, in the same spot as all of the great men who have lead our jurisdiction over the years. I want to thank each of you for the opportunity to serve as your State Deputy, and to be installed at the same time as our new Supreme Knight, Patrick Kelley.

In the State Deputy's meeting, our goals and priorities were outlined by the Supreme Knight. The focus this year will be on the areas of spirituality, the Eucharist, leaving no neighbor behind, and growing our order. An emphasis will be placed on exemplifications of the new degree ceremony, safe environment training, and implementing the new meeting format.

On July 17, we will hold our District Deputy Organizational meeting in Georgetown. We will provide a working lunch during the meeting, and immediately following the meeting we will have Mass and the installation of District Deputies. Grand Knights and Financial Secretaries are welcome to attend, but not required. This will be a one-day meeting, without a banquet or ladies' activity and will be streamed via Zoom for anyone who cannot attend in person. While we are open for business, caterers and food service in general seems to be having issues getting enough workers. We will have a normal mid-year meeting in December with all the bells and whistles. We will resume regional meetings this year for Grand Knights and Financial Secretaries. We will have dates and locations lined out for those in the next week or so and will get the word out so you can plan ahead to attend. I have arranged for a trainer from Supreme to come to those, but we will have to meet a minimum number of attendees.

Zanone cont.

I want to leave you with some Father McGivney news. Archbishop Lori, our Supreme Chaplain informed me as he was blessing a bronze statue of Father McGivney for me, that since his Beatification Fr McGivney has been very active in granting favors, and many are being investigated now. It may not be long before he becomes a Saint. When I brought Sandra her statue and asked if she knew who he was, she started crying and said yes. I asked if she had ever seen him, and she said “at the hospital”. If you’re not a member of the McGivney Guild yet, see the link in the Columbia magazine and join today. It is free.

Happy Fathers’ Day to all of you, God bless, and I hope to see you soon.

Vivat Jesus,
Steve Zanone, State Deputy

Why is the question that never seems to be answered? Why is the sky blue? Why is water wet? Why do bad things happen? Most folks can answer the what, when, where and how of things but the WHY evades us. Such is the case of two young Lexington Catholic High School boys that were killed in a tragic vehicle accident on May 31st. There were four young people in the pickup truck. Two died and two survived...Why? I personally knew one of the two young men that were killed. I've watched him grow up over the past 10 years or so. He was a well-mannered young man, good looking, strong, a member of the cross-country team and a solid worker. His father is a member of our council and his mother is a teacher at our school. His birthday is June 7. He would have been 18. Why Lord...why would you take him now? Why at this time and in this manner?

As you can imagine his parents and sister are devastated. His classmates are in shock. Our pastor and our parish are in disbelief. Why Lord Why? The Why is not for us to know, at least not at this time? When I was a Field Agent I recall meeting a young man in his late 20s that experienced a similar tragedy. He and three classmates had gone out for a ride at the end of the school year and were just having fun. Three died that day and he was left paralyzed. WHY! My brother John was 19 when on the last day of a summer job the truck he was riding in veered off the road, rolled down an embankment, he broke his neck and was paralyzed until his death in 2018. WHY Lord?

So I wonder...Why. Why are so many brother Knights hesitant to talk to other Catholic men about the Knights of Columbus? Why are so many brother Knights hesitant to pray the Rosary? Why do so many brother Knights choose not to participate in the greatest Catholic men's organization in the world? Why are our brother Knights hesitant to take advantage of the Fraternal Benefits that are offered to them and their families? Again I ask...Why, Why, Why.

Johnson cont.

God knows WHY...let us trust in His Why and let us strive to understand Why God loves us so & why His only Son died on the Cross for us. Thank you Lord for loving us, your humble servants.

The end of the 2020-2021 Fraternal Year is quickly coming to a close. It clearly has been a most unusual Fraternal Year. Who would have thought that we would have experienced such a year? Not since 1917-1918 has the world experienced such a worldwide pandemic. Thank God it is finally winding down.

Now is the time to put this past year behind us and focus on our mission to serve one another, our priest and our God.

ORGANIZATIONAL MEETING

Please plan to attend the upcoming Organizational Meeting in July. The meeting will be held on the beautiful grounds of Cardome in Georgetown on July 17th. A block of hotel rooms will be available for those staying on Friday and or Saturday evenings. The State Deputy will be sending out more details.

In Closing:

Pick up your Rosary & Pray it and don't be afraid to Step Into the Breach. It's our time!

Take Care & God Bless,

Happy Father's Day!

Fatherhood has taken a beating over the years. You can rest assured that the role is much more important than you hear in the modern media. For Fathers', the present times are challenging because there are so many "things" that can distract you from being a Dad. Please pray to St. Joseph that we strive to be the best adventurer we can be for our families. Our Supreme Knight Patrick Kelly stated "the father of a family is the great adventurer". Go explore with your family!

1st Annual Fr.Mario Tizziani Golf Scramble

It was great to see all who attended. Thank You to all who personally extended greetings to me. I can say that I saw firsthand the year cicadas that I had only seen on the media. Wow is the best thing I can use to describe the experience. I am thankful for all who showed up to help the cause of the School that Fr. Mario held deep in his heart as a cause. One side note...I had the honor of playing on the team of Johnson, Johnson, Johnson, and Williams (kind of sounds like a firm name) and we did not come in last! Thanks.

2021-2022 Fraternal Year

Congratulations to our new Officers' elect and I wish all the best. Please take advantage of training that the Knights of Columbus provides for the positions you have been elected to. Knowledge is the answer to "I don't know". My best advice is to "phone a friend" for the "what/how/why" questions you have for your elected or appointed positions. If you have questions, your District Deputy or State Officers can be a great resource.

Brother Knights,

The Home Stretch!

It's time to be making plans for next year. I look forward to seeing you at the State Organizational Meeting the weekend of 7/17-18.

Details will be coming out soon.

But this year's not over yet! Your District Deputy and the State Officers are here to help you finish all your requirements for the Star Council Award and State Deputy Award. Just give us a call or drop us a note.

The Pandemic – Is It Over?

I doubt it, but at least we seem to have enough of a handle on it right now that most of our restrictions are being lifted so that hopefully we'll be settling in to our new normal and make it as much like our old normal as we can, especially with having in person meetings. I look forward to renewing a new, stronger bond of Fraternity with my Brother Knights!

Worthy Brothers,
WOW a NEW Game!!!

Coming to your Council soon, A NEW GAME!! Yes, Kentucky Knights of Columbus State Charities has A New Game. It is called the "COLLEGE FOOTBALL FRENZY" with your favorite College Team, 32 College Teams, 13 teams from ACC (U of L), 14 teams from SEC (UK), Notre Dame, Ohio State, Eastern KY University, and Western KY University. 8 weeks instead of 10, with the same weekly payout \$700 per week. Again, tickets are \$10, buy two tickets and get one ticket free. Sell 25 tickets and qualify for the State Deputy Award. Tickets need to be back at my place NO LATER THAN September 27th. I have to have them in the Mail on September 28th.

Again, proceeds after expenses, are split with the Councils selling tickets. Please remember this helps fund the Kentucky Charities, as Charity is our First Principle. I will try and get these Tickets in your hands as soon as possible.

State Organizational Meeting

Somewhat like last year, with in-person and technologically the State Organizational Meeting will be held July 16-17 at the Georgetown Cardon Center. New ideas, new Friends and old friends. This is going to be an exciting year. Hope to see you there

Dykhuis cont.

Recruit and Retain

We still have the FREE MEMBER for a New member and he can join on line. You can transfer him into your Council. Please remember to ask that new Graduating High School Young Man, to join us, these new members make Great Brother Knights. They have the Best Ideas and know some of best practices.

Membership is Free until the end of the Fraternal year.

Please welcome former members to come back to the order.

Sir Knights –

For anyone that was not able to attend State Convention on May 15th where I addressed the State Delegation, here is the gist of what I reported out for the Fourth Degree for the current fraternal year.

The August 28th Exemplification is really coming together! This is an in person Exemplification in Louisville hosted by Archangel Assembly #

3877at St. Michael parish. An official packet will be coming very shortly. As mentioned, our current Vice Supreme Master, Chuck Whitcraft will be completing his term as VSM on September 1st and the Kentucky District will take this opportunity to thank him and Lady Deb for their support and leadership over the last four years. I am also working on arranging for Archbishop Kurtz to the Exemplification Mass and Banquet. Please start working with your councils to recruit new Sir Knights into your Assembly if you have not already done so.

By now all Assemblies should have held elections for 2021-2022 officers. Please get your reports to me ASAP if you have not already done so.

Finally, a reminder that Assemblies can earn the Star Assembly Award by reaching their membership quota, earning the Civic Award (similar to the Columbian Award), entering the “To Be A Patriot” competition, publishing a monthly newsletter, and submitting the required Supreme reports. More information can be found at <https://www.kofc.org/en/resources/service/council/10486-star-assembly-award.pdf>. Time is quickly running out as the June 30th deadline is rapidly approaching.

In order to grow the Fourth Degree, we must first grow in the First, Second, and Third Degrees. Recruit new members into your council and advance them through the higher degrees so that they can become Sir Knights in the Fourth Degree. Our councils, parishes, and communities need us Sir Knights more than ever. Let’s build up our Army of Knights to fight for what is right and just.

Fraternally,

The Most Overlooked Aspect of Retirement Planning

Working with Brother Knights and their spouses over the past 15 years has led me to observe that it's a natural inclination to overlook what is perhaps one of the most important aspects of retirement planning — having a sufficient amount of life insurance protection.

Consider the elements of retirement planning that most people fully consider:

- What their income streams will be in retirement, their pension and social security amounts?
- What will their basic monthly living expenses be?
- What their 401k or investments will yield to address their essential living expenses?
- Will they have sufficient health insurance coverage?
- The risks associated with living a long life.
- The need to address Extended Care Planning.
- Having a will, living will, health care surrogate and durable power of attorney.

All these areas are vital, certainly. They are the basic architecture of a good retirement plan. However, we must consider some effects death will have on our spouse. Here are some crucial facts to consider:

- The surviving spouse will receive the greater of the two social security amounts — which is about a 30 percent loss of income.
- The surviving spouse will typically receive only 50 percent of their spouse's pension (if they have a pension).
- Most group life insurance either reduces greatly or entirely upon retirement.
- There is a strong probability that one of the two spouses will live into their 90s and an early death could leave a surviving spouse 20-30 years to live with these reduced incomes.

Schachle cont.

- Term insurance will eventually become cost prohibitive or terminate in coverage as the spouse ages.
- Health care costs and taxes will go up — the longer the surviving spouse is alive, these costs can impinge on retirement budgets.

So, what is the answer? A simple analysis by your Knights of Columbus Field Agent will help you address retirement financial planning: a permanent life insurance policy that will never go up in cost and has a built-in guaranteed cash value. I like to call this the last “love letter” you will write to your spouse. Ask your K of C Field Agent to produce your customized plan using the Profiles Professional. Also, ask him or her about the Social Security Analyzer that he can produce to maximize your guaranteed Social Security income. By purchasing a life insurance policy from Knights of Columbus, you make a choice to make a difference — not only for your family, but for the many charitable and humanitarian causes our organization supports. So plan a meeting with your Field Agent so you can discuss each of the key elements of a successful retirement plan. It is never too late to review either your current or future retirement plan.

Vivat Jesus!

The program book for the 99th Supreme Convention held in Louisville during August 16-20, 1981, has been a rare source of historical information for me. This extract of the living Past Deputies is one example. It would be great if we could compile pictures of all 57 Past State Deputies for the archives.

Snippet's:

I had the privilege of meeting Owen Seary, the "grand old man from Ashland" at a State Convention during the late '80s or early '90s.

Patrick McKay instituted the State Council newspaper.

F. Robert Fleck was Director of the State Religious Information Bureau for many years. He also served as Vice Supreme Master of the Father Edward Sorin Province.

George Schrode was Director of the State Charity Raffle. He served as executive secretary to a state deputy, and he was the editor of the State newspaper. He was the first recipient of the O'Connor Award.

Harold Roth and Charles Doyle served as District Masters. Both are O'Connor Award recipients.

Michael Peak is the only PSD pictured still living. He was the General Convention Chairman for the 1981 Supreme Convention. He and his wife Jane served as State Pro-Life Couple for many years. He is an O'Connor Award recipient and Former Supreme Warden.
